8TH GRADUATION CEREMONY

'Celebrating Zambia's Diamond Jubilee, Producing Future-fit Leaders'
Friday 27th September, 2024

UNIVERSITY of
GREENWICH

ZAMBIA NATIONAL ANTHEM

I

Stand and sing of Zambia, proud and free,
Land of work and joy in unity,
Victors in the struggle for the rights,
We've won freedom's fight.
All one, strong and free.

II

Africa is our own motherland,
Fashion'd with and blessed by God's good hand,
Let us all her people join as one,
Brothers under the sun.
All one, strong and free.

III

One land and one nation is our cry,
Dignity and peace 'neath Zambia's sky,
Like our noble eagle in its flight,
Zambia, praise to thee.
All one, strong and free.

Chorus:

Praise be to God,
Praise be, praise be, praise be,
Bless our great nation,
Zambia, Zambia, Zambia.
Free men we stand
Under the flag of our land.
Zambia, praise to thee!

Gaudeamus igitur

Gaudeamus igitur,
Iuvenes dum sumus!
Post iucundam iuventutem
Post molestam senectutem
Nos habebit humus.

Ubi sunt, qui ante nos
In mundo fuere,
Vadite ad superos,
Transite ad inferos,
Ubi iam fuere.

Vita nostra brevis est,
Brevi finietur,
Venit mors velociter,
Rapit nos atrociter,
Nemini parcetur.

Vivat Academia,
Vivant professores,
Vivat membrum quodlibet,
Vivant membra quaelibet,
Semper sint in flore!

Vivant omnes virgines
Faciles, formosae
Vivant et mulieres
Tenerae, amabiles
Bonae, laboriosae.

Vivat et respublica,
Et qui illam regit,
Vivat nostra civitas,
Maecenatum caritas,
Quae nos hic protegit.

Pereat tristitia,
Pereant osores,
Pereat diabolus,
Quivis Antiburschius,
Atque irrisores.

Interpretation

While we're young, let us rejoice,
Singing out in gleeful tones;
After youth's delightful frolic,
And old age (so melancholic!),
Earth will cover our bones.

Where are those who trod this globe
In the years before us?
They in hellish fires below,
Or in Heaven's kindly glow,
Swell th' eternal chorus.

Life is short and all too soon
We emit our final gasp;
Death ere long is on our back;
Terrible is his attack;
None escapes his dread grasp.

Long live our academy,
Teachers whom we cherish;
Long live all the graduates,
And the undergraduates;
Ever may they flourish.

Long live all the maidens fair,
Easy-going, pretty;
Long live all good ladies who
Are tender and so friendly to
Students in this city.

Long live our Republic and
The gentlefolk who lead us;
May the ones who hold the purse
Be always ready to disburse
Funds required to feed us.

Down with sadness, down with gloom,
Down with all who hate us;
Down with those who criticize,
Look with envy in their eyes,
Scoff, mock and berate us.

DIRECTORATE OF OPEN, DISTANCE AND e-LEARNING (ODEL)

Apply now to enroll for programmes

All ZCAS University degree programmes are available online through the Directorate of Open, Distance and eLearning (ODEL) which also offers a number of Diploma programmes and degree programmes in collaboration with its partner NCC.

Distance Education and eLearning are formal delivery modes at ZCAS University that provide alternative learning options to willing students who may be disadvantaged by space and time. Through the use of the e-learning platform, ZCAS University is able to effectively support students by giving them high quality and suitable learning materials in the form of structured modules, extra reading resources, assignments and activities including quizzes, group work, chats, and forums. The e-Learning platform is blended with face-to-face interaction through purposely created residential schools. This allows students, particularly those requiring practical learning through the laboratories, to have hands-on practice and gain the required skills.

Through the e-learning platform, ZCAS University is able to also conduct short courses and to interact with participants across the country. As part of its commitment to its students on this study mode, the University has invested in a number of technologies to support student/staff engagement. Prominent among these investments are the Student Information System (SIS) and the MOODLE Learning Management System (LMS) plug-ins. These plug-ins allow students to follow lecture

proceedings wherever they are and engage the teaching staff in real time as long as they have internet connectivity via the phone or on a computer. Alternatively, students can access recorded lectures via the LMS. With these investments, ZCAS-U is committed to making sure that your learning experience, including online feedback, is really enjoyable and progressive.

DOCTORAL GRADUANDS

Kaluwe Petros Libingi

Doctorate in Business Administration (DBA)

Thesis Title:

- Evaluating the influence of Entrepreneurship Education (EE) on Students' Individual
- Entrepreneurial Orientation (IEO) in Technical Education, Vocational and
- Entrepreneurship Training (TEVET) institutions in Zambia.

Supervisor: Prof Edwin Bbenkele

Bio of the Candidate

He holds a Master of Science in Accounting and Finance (ZCAS University), A Bachelor's Degree in mathematics and business studies (Kwame Nkrumah University), Diploma in Mathematics Education (University of Zambia) and a Diploma in Accounting (Association of Accounting Technicians - AAT).

He is a seasoned international educator, certified from British Columbia, Canada teaching Business Studies and Calculus, certified by College Board-USA. He has been teaching for 26 years, of which 22 years has been in the diaspora. He has taught the American Common 56 Core curriculum, Canadian British Columbia curriculum, The Cambridge high school curriculum, the Botswana national curriculum and the Zambian school curriculum. He is also a course tutor with The University of London in Financial Management. His research interests are Entrepreneurship Education (EE), Education Management and Finance.

Abstract of the Thesis

This study explores the influence Entrepreneurship Education (EE) has on student's Individual Entrepreneurial Orientation (IEO) in Technical Education, Vocational and Entrepreneurship Training (TEVET) institutions in Zambia. It investigates how different dimensions of IEO, such as innovation, risk-taking, and proactiveness, are influenced by targeted educational programs. Adopting a concurrent mixed method approach using a survey, quantitative data was collected using a self-administered questionnaire, using stratified random sampling while qualitative data was collected through a focus group and interviews using purposive sampling. This survey was conducted on 450 TEVET institution students from across the country.

Findings show that the levels of IEO is generally higher among all students, but male students exhibited a higher level of IEO than female students with a small difference between the levels that is not statistically significant ($t = 0.129$, $p = 0.904$). The study also reveals that there is a significant gender imbalance among students in favor of male students in TEVET institutions. Overall, Entrepreneurship Education (EE) programs provided in TEVET institutions have been found to have a positive influence towards enhancing student's Individual Entrepreneurial Orientation (IEO).

The analysis further revealed that even though all the Entrepreneurial Orientation dimensions being studied being Risk-taking, Innovation, Competitive Aggressiveness, Autonomy, Achievement Orientation, Learning Orientation, Passion and Proactiveness has a positive impact on enhancing the students IEO, the Risk-taking and Autonomy dimensions had a low impact of enhancing IEO on students on average in TEVET institutions. This study contributes to the understanding of the impact Entrepreneurship Education (EE) has on students' Individual Entrepreneurial Orientation (IEO) and how Entrepreneurship Education (EE) nurtures entrepreneurial mindsets and behavior among TEVET students in Zambia.

Solly Patel Award

*to the Best Graduating Student in
Master of Laws - Corporate & Commercial Law*

- Presented by Solly Patel Hamir & Lawrence -

Mr. Solly Patel completed his law studies at Lincoln's Inn in London. In 1975, he co-founded the law firm Solly Patel Hamir & Lawrence with Ali Hamir. Over the years, the firm gained a reputation for providing exceptional conveyancing advice and practice. It represented numerous clients across various legal domains, achieving many successful litigation outcomes, some of which were reported in the Zambia Law Reports.

As the firm evolved, new partners joined at different stages. Mr. Dick Lawrence left to join the judiciary as a judge, while Mr. Ali Hamir served as Attorney General before retiring from private practice, though he continued to consult for the firm. Mr. Solly Patel later joined Mr. Kanti Patel at Christopher, Russell Cook & Co, where he continued his private practice until October 18, 2023.

In addition to his conveyancing practice, Mr. Solly Patel served as a long-standing member and Convenor of the Conveyancing Committee of the Law Association of Zambia. His academic contributions include lecturing in conveyancing and legal drafting at the Zambia Institute of Advanced Legal Education from 1978 to 2017. His extensive experience in teaching led him to author several books, manuals, handbooks, and modules on conveyancing, which are widely used by both aspiring and practicing legal professionals.

Mr. Solly Patel is revered as a conveyancing expert, known for his unmatched drafting skills and significant contributions to the legal field.
