EMPOWERED TO LEAD, PREPARED TO SHAPE THE FUTURE

ZAMBIA NATIONAL ANTHEM

I

Stand and sing of Zambia, proud and free,
Land of work and joy in unity,
Victors in the struggle for the rights,
We've won freedom's fight.
All one, strong and free.

II

Africa is our own motherland,
Fashion'd with and blessed by God's good hand,
Let us all her people join as one,
Brothers under the sun.
All one, strong and free.

III

One land and one nation is our cry,
Dignity and peace 'neath Zambia's sky,
Like our noble eagle in its flight,
Zambia, praise to thee.
All one, strong and free.

Chorus:

Praise be to God,
Praise be, praise be, praise be,
Bless our great nation,
Zambia, Zambia, Zambia.
Free men we stand
Under the flag of our land.
Zambia, praise to thee!

Gaudeamus igitur

Gaudeamus igitur,
Iuvenes dum sumus!
Post iucundam iuventutem
Post molestam senectutem
Nos habebit humus.

Ubi sunt, qui ante nos
In mundo fuere,
Vadite ad superos,
Transite ad inferos,
Ubi iam fuere.

Vita nostra brevis est,
Brevi finietur,
Venit mors velociter,
Rapit nos atrociter,
Nemini parcetur.

Vivat Academia,
Vivant professores,
Vivat membrum quodlibet,
Vivant membra quaelibet,
Semper sint in flore!

Vivant omnes virgines
Faciles, formosae
Vivant et mulieres
Tenerae, amabiles
Bonae, laboriosae.

Vivat et respublica,
Et qui illam regit,
Vivat nostra civitas,
Maecenatum caritas,
Quae nos hic protegit.

Pereat tristitia,
Pereant osores,
Pereat diabolus,
Quivis Antiburschius,
Atque irrisores.

Interpretation

While we're young, let us rejoice,
Singing out in gleeful tones;
After youth's delightful frolic,
And old age (so melancholic!),
Earth will cover our bones.

Where are those who trod this globe
In the years before us?
They in hellish fires below,
Or in Heaven's kindly glow,
Swell th' eternal chorus.

Life is short and all too soon
We emit our final gasp;
Death ere long is on our back;
Terrible is his attack;
None escapes his dread grasp.

Long live our academy,
Teachers whom we cherish;
Long live all the graduates,
And the undergraduates;
Ever may they flourish.

Long live all the maidens fair,
Easy-going, pretty;
Long live all good ladies who
Are tender and so friendly to
Students in this city.

Long live our Republic and
The gentlefolk who lead us;
May the ones who hold the purse
Be always ready to disburse
Funds required to feed us.

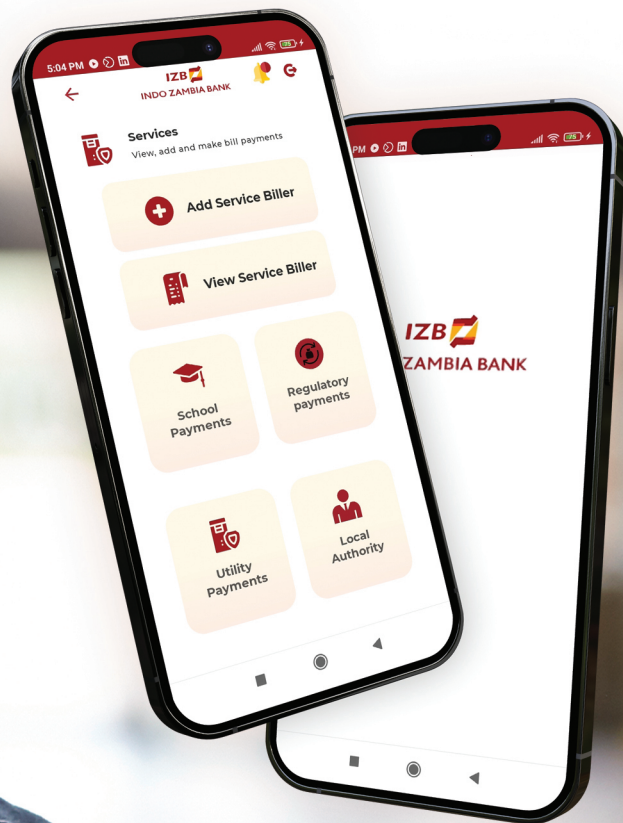

Down with sadness, down with gloom,
Down with all who hate us;
Down with those who criticize,
Look with envy in their eyes,
Scoff, mock and berate us.

CONGRATULATIONS FROM UNIVERSITY OF GREENWICH

It is my absolute honour and privilege to extend my congratulations to all the wonderful Zambia Centre for Accountancy Studies (ZCAS) graduates on your amazing achievements. Today we are recognising the achievements of a significant number of ZCAS undergraduate students on the BA(Hons) Business Studies, the BA(Hons) Business Purchasing and Supply Chain Management and the BSc Computing programmes and also a group of students from the MBA International Business programme.

As is the case each year, I was delighted to see some ZCAS students in Greenwich in July to receive their awards at our on-campus ceremony. I realise that this trip is not possible for everyone, but I really hope to see some of today's graduates at the ceremony next summer.

Graduation marks the end of an important part of your lives, and the beginning of the next. Each of you have taken a unique journey to get to this moment. As you walk out today you are taking with you wonderful memories, friends that you have made, skills that you have gained, and each and every one of your accomplishments. Allow yourself some time over the next few days to stop and record these and ensure that whenever you need to remind yourself of what you can achieve, they are there for you to refer to. Many of you will have juggled multiple responsibilities, cared for your families, and persevered despite all the challenges that life has thrown at you. You did not give up.

You are here and you are graduating. So, you have every right to be incredibly proud of your achievements and of the resilience and determination that you have shown. Always remember that. It is your time now to go out to the world and make a difference. And as you do that, I want you to be proud of the institutions that helped you along the way and that you will always be a part of. Over the past 20 years we have been proud to collaborate with ZCAS, combining academic rigour with practical and professional skills to prepare graduates for the modern world of work. Our partnership is still developing and growing and, between us, we are bringing a number of new degree programmes to Zambia over the next year.

It is wonderful that since 2005, thousands of students have studied with us on both undergraduate and postgraduate courses across three different faculties. We are delighted that this amazing talent is going out and contributing to the local economy of Zambia as well as going out to the wider world to make a difference and change lives.

We take huge pride in the diversity and richness that this partnership brings to our graduating class, with each of you contributing unique cultural backgrounds, experiences, and perspectives that enrich our community.

Graduands, as of today, you have joined a global alumni community that is now close to 300,000 strong. Now more than ever, this community is a powerful resource to lean on and they, along with the university, are here to help you progress in your graduate career and navigate the next stages of your journey.

On behalf of the University of Greenwich I wish you all huge congratulations on your wonderful successes.

DIRECTORATE OF OPEN, DISTANCE AND eLEARNING (ODEL)

Apply now to enroll for programmes in 2026

All ZCAS University degree programmes are available online through the Directorate of Open, Distance and eLearning (ODEL) which also offers a number of Diploma programmes and degree programmes in collaboration with its partner NCC.

Distance Education and eLearning are formal delivery modes at ZCAS University that provide alternative learning options to willing students who may be disadvantaged by space and time. Through the use of the e-learning platform, ZCAS University is able to effectively support students by giving them high quality and suitable learning materials in the form of structured modules, extra reading resources, assignments and activities including quizzes, group work, chats, and forums. The e-Learning platform is blended with face-to-face interaction through purposely created residential schools. This allows students, particularly those requiring practical learning through the laboratories, to have hands-on practice and gain the required skills.

Through the e-learning platform, ZCAS University is able to also conduct short courses and to interact with participants across the country. As part of its commitment to its students on this study mode, the University has invested in a number of technologies to support student/staff engagement. Prominent among these investments are the Student Information System (SIS) and the MOODLE Learning Management System (LMS) plug-ins. These plug-ins allow students to follow lecture proceedings wherever they are and engage the teaching staff in real time as long as they have internet connectivity via the phone or on a computer. Alternatively, students can access recorded lectures via the LMS. With these investments, ZCAS-U is committed to making sure that your learning experience, including online feedback, is really enjoyable and progressive.

Solly Patel Award

to

Antonina Chisanga

Best Graduating Student in

Master of Laws - Taxation and Investment Law

** Presented by Solly Patel Hamir & Lawrence **

Mr. Solly Patel completed his law studies at Lincoln's Inn in London. In 1975, he co-founded the law firm Solly Patel Hamir & Lawrence with Ali Hamir. Over the years, the firm gained a reputation for providing exceptional conveyancing advice and practice. It represented numerous clients across various legal domains, achieving many successful litigation outcomes, some of which were reported in the Zambia Law Reports.

As the firm evolved, new partners joined at different stages. Mr. Dick Lawrence left to join the judiciary as a judge, while Mr. Ali Hamir served as Attorney General before retiring from private practice, though he continued to consult for the firm. Mr. Solly Patel later joined Mr. Kanti Patel at Christopher, Russell Cook & Co, where he continued his private practice until October 18, 2023.

In addition to his conveyancing practice, Mr. Solly Patel served as a long-standing member and Convenor of the Conveyancing Committee of the Law Association of Zambia. His academic contributions include lecturing in conveyancing and legal drafting at the Zambia Institute of Advanced Legal Education from 1978 to 2017. His extensive experience in teaching led him to author several books, manuals, handbooks, and modules on conveyancing, which are widely used by both aspiring and practicing legal professionals.

Mr. Solly Patel is revered as a conveyancing expert, known for his unmatched drafting skills and significant contributions to the legal field.

The Firm Solly Patel, Hamir & Lawrence continues in his memory.

Victor Cheelo Foundation Award

Presented to

Mberi Juliet & Yambayamba Lweendo Chibwe

Best graduating Student in Project Management

On behalf of the Victor Cheelo Foundation, I warmly congratulate you on being named the best student in Project Management this academic year at ZCAS University.

As an alumnus of ZCAS University (Master of Science in Project Management with Merit) and now pursuing my PhD, this achievement brings me great pride. It is also fulfilling to give back to the institution that shaped my journey by sponsoring this award.

Your outstanding success is not only a personal triumph but an inspiration to others. Project Management plays a critical role in driving Zambia's development, especially in this period of increased Constituency Development Fund (CDF) disbursements. Our nation needs ethical, innovative project specialists like you to ensure projects deliver meaningful results for communities.

As a cattle rancher, community leader, and Project Specialist from Monze Central, my foundation, an empowerment scheme I established to support youths and women in Monze with access to venture capital for small business startups, has seen how effective planning and implementation can transform lives. I encourage you to use your skills in the same spirit to manage resources responsibly, create opportunities, and contribute to sustainable national growth.

Once again, congratulations on this remarkable achievement. May this success be the foundation of even greater accomplishments in your career and service to Zambia.
