

Dear Alumnus,

INVITATION TO CONTRIBUTE TO A FUNDRAISING INITIATIVE

I hope this message finds you in good spirits. I am reaching out to invite you to participate in an important fundraising initiative aimed at acquiring a 70-seater Irizar Scania bus valued at K10,900,000.00 for our ZCAS and ZCAS University students. This initiative is vital for enhancing our transportation facilities, ensuring that our students have reliable access to educational resources and activities.

ZCAS University is proud to announce that we will contribute 50% of the total funds required for this project. Additionally, we are seeking support from corporate institutions and our dedicated student body to help us reach our goal. Together, we can make a significant difference in the lives of our students.

We are also honoured to share that our Head of State, the Republican President Mr. Hakainde Hichilema, has graciously accepted to assist us in this initiative, highlighting the importance of this cause for the future of education in our community.

As an added incentive, we are pleased to inform you that the biggest individual contributor will be recognized with naming rights for the bus (terms and conditions to be advised). This is a unique opportunity to leave a lasting legacy at ZCAS University.

We encourage you to make your contributions to the following account by **31st January 2026 (with narrative: "ZCASU STUDENT BUS")**:
